

EC declaration of conformity

Product

Flex grab rail and its variants

Flex grab rail is intended to offer grip for people with impaired mobility.

The product bears the CE-mark. We declare under our sole responsibility that the product to which this declaration relates is in conformity with:

- Medical Device Directive 93/42/EEC
- Swedish statutes 1993:584
- Medical Products Agency – Sweden LVFS 2003:11
- EN 12182
- Classification: Class I

The product has been assessed in risk analysis, remaining risks were found to be acceptable. Any other use of any product than intended, as described in the product manual, makes this document invalid.
